Regional & Statewide Services for Students with Orthopedic Impairments
“Helping Students Achieve their Full Potential”
Who are we and what do we do?
RSOI provides services to professionals and families concerned with the needs of young children and students with orthopedic impairments, from birth to 21 years.
Funded by the Oregon Department of Education, RSOI provides support for...

OCCUPATIONAL AND PHYSICAL THERAPISTS, AS WELL AS OTHER SPECIALISTS
‘Go Baby Go’ Mobility Program
And...

EDUCATORS
We also provide support for...

PARENTS & GUARDIANS
RSOI provides this support in a number of ways.

Through direct training and technical assistance at our annual:
~ Seminar for Feeding Teams
~ Therapy in Educational Settings (TIES) Conference
Form a Hypothesis: Identify and Prioritize System Impairments & Strengths

Treatment Implementation:

Selection
RSOI also...

- Collects and disseminates information about state, regional and national resources
- Develops and distributes technical assistance manuals
RSOI maintains a loan library of materials about educational issues unique to students with orthopedic impairments, multiple disabilities, and feeding needs.
RSOI is a statewide program that reaches the needs of educators and specialists throughout Oregon, helping all students be successful.
